

Board of Selectmen
Special Meeting
November 23, 2020
Minutes

BOS Present: Angevine, Nelson, Papp

Regrets:

Treasurer: C Frisbie

Meeting called to order at 11:04 pm by Angevine

1. **Discussion and possible action on alarms and monitoring of facilities:** Discussion on the three quotes received from TEC, Fire Control and Berkshire Alarm for installation and monitoring at the Community Center and the Academy. Angevine went through the information of each quote and stated the total price: TEC \$5740 Fire Control \$3775 Berkshire \$4824.81. The 2nd and 3rd Selectmen didn't have all of the information from Berkshire Alarm and they had questions for Fire Control. More research and information is needed to proceed. Need to have the questions answered and the remainder of the quotes for the next Selectman's regular meeting next week.

*Motion (Nelson/Papp) to adjourn at 11:50am. **All in Favor Motion passes 3-0-0***

Respectfully submitted by:

Colleen Frisbie, Treasurer/Admin Asst
