2. **Discussion and Possible Action on Fundraising:** 1) Lynn Gray, resident of Warren, attended the meeting and offered her opinion on how the fundraising letter could have been better and how to reach out to the public. Gave ideas on fundraising and would like to offer her skills (graphic design) in helping us with different fundraising ideas. Also made some suggestions on going further back than WWII and possibilities of places which might help in getting names of those who were in Warren. The Chairman explained why we were starting the monument with WWII and how difficult it has been to confirm residency with those who served. The Committee thanked Ms. Gray for her input and asked her if she would be willing to help us with some fundraising events. Ms. Gray said she would like very much to help us out. 2) A Clambake was pitched as a fundraising idea. It's a fresh idea, Sharon and New Milford are the closes towns that have a Clambake, could be a good event. Frisbie, Nelson, MacNeil, and Lago will work on the financial proposal for the next meeting.
