DPW will do the construction work – conduit is in place from original construction of town building. Those using the charger will be charged for usage and this should pay for the cost over the first couple of years. Will meet with Treasurer to make sure of funds.

**4) First Selectman's Report:** It's been a quick two weeks since our last meeting. Our next meeting will be November 21<sup>st</sup> – we do not meet on November 7<sup>th</sup> because of elections.

- Social Services: Our Social Services Director will be out of the office for the next few weeks. Contact the Selectman's Office for assistance. We will be having free QPR & Narcan training in November. Watch the website and holiday newsletter for more information.

- RORF – is an off-shoot from the NW Hills COG – committee formed to help pool funds from the towns in the NW corner of the State fight the public health crisis - Opioid Addiction. The committee is working on obtaining kits to battle the crisis along with training on these kits.

Lastly – we would like to thank Alex Papp for her service to the Board of Selectmen over the years, to the Board of Education (RSD20), and for the many hours in volunteering her time and service to our town, schools and businesses. Alex has decided not to run for the Board of Selectmen in November, so this is her last official Selectman’s meeting. She is an asset to our town and schools, and we are going to miss her.
