Special Meeting Warren Cemetery Committee September 16, 2019

Present: Howard Lethbridge, Brad Johnson, Percy Allmand, Gerald Frisbie, Ellen Paul and Craig Nelson

Absent: Greg Lethbridge and Dennis Tanner

President Howard Lethbridge called the meeting to order at 7:05

The minutes for the July 8, 2019 meeting were unanimously approved as submitted.

**Item:** New fence for the Old Warren Center Cemetery

Gerry Frisbie proposed soliciting proposals from three fence contractors to replace the existing fence around the Old Center Cemetery with in-kind materials to those currently in use for a distance of 550' with two gates with widths similar to those now in place preferably with a bottom rail which would be flush with the ground.

Gerry volunteered to write the proposal which will then be submitted to the Town Finance Committee and the Selectmen.

**Item:** Monument repair

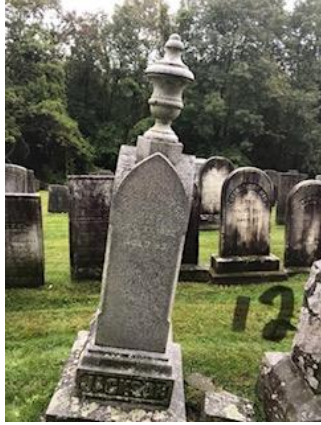

Brad Johnson submitted photos of 12 monuments currently in need of repair in the Old Cemetery.

He would do the monument repair and Howard Lethbridge would do the foundation work.

Brad estimated the monument repair at \$2750 - \$3500 which would allow for some repair for neighboring stones, if needed. He estimated that only 5 or 6 of those monuments need footing repair. Howard estimated the new footings at \$1500 - \$2000.

Ellen Paul made a motion that the \$5000 - \$6000 be set as the budget for repairs. Gerry Frisbie seconded. The motion was approved unanimously.

**Item:** Trees to be removed in the New Cemetery

Gerry Frisbie suggested meeting with Howard Lethbridge to flag trees in the New Cemetery for removal. Gerry and Howard agreed to find a convenient time to meet.

The meeting was adjourned at 7:47 pm

Respectfully submitted
