

Group: **Construction News**

Project No. DOT01740445CN

Headline: **Metal Beam Guide Rail Upgrade Project.**

Teaser:

The Connecticut Department of Transportation is announcing that Guide Rail Upgrade's project will be performed on **Route 45 in the towns of Washington and Warren.**

Body of the Message

The project consists of upgrading existing wood pole guide rail systems to current standard systems on route 45 **at various intersections between route 202 and route 341.** The upgrades are scheduled to begin on **Monday, March 28, 2022 and continue thru May 26, 2022. No work performed on the day before or the day after the Good Friday Holiday.**

LANE CLOSURE INFO

Motorists can expect lane closures on Route 45. Traffic control personnel and signing patterns will be utilized to guide motorists through the work zone. The regular work schedule for this project is 8:00 a.m. to 4:00 p.m. (Monday – Friday).

Motorists should be aware that modifications or extensions to this schedule may become necessary due to weather delays or other unforeseen conditions. Motorists are advised to maintain a safe speed when driving in this vicinity.
