Park and Rec Programs:

The schedule is finalized. We have 17 motor coach trips planned for this year. One highlight will be the air show at Jones beach.

The four summer concerts are lined up, and we have a few programs at the beach.

We are exploring the possibility offering a nutrition program for Seniors that includes lunch.

We have about 40 kids playing basketball in a collaborative effort with the Towns of Morris and Goshen.

The ski program is going well. We have about 22 kids overall in the program (about 13-14 from Warren).

The meeting was adjourned at 7:10 pm.
