Programs:

Our programs went well this summer. We have a few more this year. The trips are filling up.

Don has been working on the schedule for next year. They were at the Big E and spent time with the Cape Cod Convention group - they can help organize a trip. Washington, DC will be on the schedule, as will Montreal or Quebec. So, we will have 3 overnights next year.

Lunch and Learn - its pretty successful and usually have 8-12 people. In November, the Financial and Healthcare planning program should be popular.

Soccer Program - its a nice coordinated effort with Kristen from Morris.

Cider Run - October 26th.

Senior Activities:

Sharon Playhouse

Trip to NYC

Christmas Tree Shop

Fall Foliage Outing

Ikea Trip

The price point is sometimes very expensive so it makes it hard. Everything is getting more expensive

Next Meeting October 16th at 7pm.
