

Art in the Elm City

Thursday, April 16

We're headed to the Elm City for a heavy dose of culture at both the Yale University Art Gallery and the Yale Center for British Art! We'll enjoy a docent led tour of both museums along with free time to explore each of their amazing gift shops! We'll also be enjoying lunch at a delightful restaurant in the neighborhood, of your choosing. The mission of the Yale University Art Gallery is to encourage appreciation and understanding of art and its role in society through direct engagement with original works of art.

At the Yale University Art Gallery, award-winning artist, naturalist, and writer James Prosek (b. 1975, B.A. 1997) brings his love of the natural world and his lifelong fascination with the naming and classification of nature to the Yale University Art Gallery in James Prosek: Art, Artifact, Artifice. The exhibition brings together objects from the collections of the Gallery, the Yale Peabody Museum of Natural History, and the Yale Center for British Art.
