COVID and Vaccine Update

Happy New and welcome 2021! As our numbers for COVID-19 in CT continue to be very high, we look to the future and the start of a new year with positive anticipation and hope. We have been working with Torrington Area Health District, TAHD, coordinating local vaccination efforts and are currently scheduling vaccinations for our local Emergency Services. The vaccination schedule for our Community remains vague and is dependent mostly upon availability of vaccine. Recently, TAHD has informed municipalities such as ours that we may be requested to work with them to coordinate scheduling of the vaccine. We do not have much more information at the moment, but I encourage you to watch for follow up information that may come from the Town of Warren regarding Community vaccination scheduling. Thank you everyone for continuing to practice safe procedures.

Tim Angevine, First Selectman, Town of Warren
