**Call to order by T Angevine at 6:53pm**

- 1. Discussion and possible action on a land use officer:** Angevine stated that the current Land Use Officer (Castagnetta) resigned a few months ago, but has been helping us out on Friday afternoons but is no longer able to continue doing this – she has a full time position in another town. Angevine was trying to make a deal with her by combining both the clerical and ZEO budget lines into one, but found it wasn't conducive. Angevine trying to do what's best for the town, but this position is difficult to fill and was looking for suggestions. Nelson stated he a few concerns with the contract he saw -1<sup>st</sup> a 2% guaranteed raise and 2<sup>nd</sup> the combination of wages into one (this would need to be rewritten to show the 2 different hourly wages). A Crane (Planning and Zoning Chair) stated how he has been trying to work out a deal with Castagnetta for the past six weeks. Frisbie clarified what the budget lines are and how they were calculated regarding wages. More discussion followed involving insurances and wage amounts. J. Manley (building inspector) had a possible candidate that he gave to Angevine. Angevine contacted that person this afternoon plus the job notice is still listed with CAZEO (CT Assoc. of Zoning Enforcement Officers). Angevine has concerns regarding a pending public hearing and the time frame associated with this action. Per the CT General Statues governing the Planning and Zoning and the IWC, the responsibility falls to the committees and the chairpersons. Angevine would rather not put the committees or the chairpersons in that position.

*Motion (Nelson/Papp) to adjourn at 7:29 pm All Approved*
