An evening with Pete Miserendino, acoustic guitar player
Friday July 6
6:00 -8:00 pm at Warren Town Beach

Finger-style, guitarist Pete Miserendino plays amazing renditions of classic popular songs from a wide range of eras. All performed with Pete's unique finger-style arrangements which are an incredible melding of bass, rhythm and lead lines. Taylor Guitar's magazine Wood & Steel gave Pete's first CD (Well Strung & Solo, Lighthouse Records) rave reviews for his acoustic performance. His latest CD Guitar & Amp expands his solo repertoire into fiery jazz renditions of modern classics performed on his beloved Gretsch 6120. In listening to Pete's performances, you might think you're hearing a three or four piece band. You're not. The rhythm, bass and lead lines are performed simultaneously by Pete on one guitar.
