Please Stay Home to Stay Safe:

It is the responsibility of every citizen to stay home and out of close contact with others. Please resist the temptation to visit with friends & family or go to the store multiple times a week.

Would you like to utilize Warrens Grocery and/or Prescription delivery service?

The Town of Warren is offering grocery shopping/pick up and prescription pick up to any/all residents who are following “stay safe & stay home”.

To organize your grocery deliveries simply contact Missy Woodward, socialservices@warrenct.org or 860-868-7881 ext 114. Deliveries are made by CERT trained volunteers; your and their safety is of the utmost importance to the Town of Warren. All are provided with P.P.E.

Have you experienced a loss of income due to COVID-19?

Contact Missy Woodward to learn about available programs to assist your family during this time.

Warren Mask Makers Program:

Warren Social Services is working together with our community to help fill the need of our surrounding hospitals and nursing homes for PPE (Personal Protective Equipment).

Want to get involved? Social Services will help fund these sewing projects.
Are you a healthcare worker? Let us know your mask requests and we will do our best to help!

Warren Washington Food Pantry Now Open EVERY Thursday until further notice:

The pantry is located at the Community Center, 7 Sackett Hill Rd. We are open from 10:00am to Noon and will be open **every Thursday** until further notice. ALL residents of Warren and Washington are welcome to visit the pantry to shop. We have shelf stable foods as well as fresh and frozen items.

Would you like to make a donation to Social Services?

If you would like to make a donation to the community **please make checks payable to the Town of Warren and in the memo indicate where you would like to see the funds utilized.** You can either indicate toward the Food Pantry or a general donation to social services, which would be directed to wherever the need is greatest. We cannot accept electronic donations of any kind at this time.

Questions regarding COVID-19?

Contact your primary care physician if you are concerned for your health.

Dial 2-1-1 for assistance via telephone.

Do not consume health information and guidance from social media. Reliable sources include:

- [The Centers for Disease control](#)
- [The Connecticut Department of Public Health](#)
- [The Torrington Area Health District](#)
