

Special Information Session on Tuesday, December 19

7:00pm at the Warren Town Hall

Christopher Leone, RSD6 Superintendent, speaker

Superintendent Leone is partnering with each of the Town's Selectmen to hold an informational session regarding the regional schools. The session will focus on Budget Equity and Sustainability, trends in declining enrollment and budget increases. He will present historical budget information, examine concepts behind rising per-pupil costs; detail the cost of the current district model and how best to address that design for future long-term needs. There will be a Q & A section at the end of the session.

Please Join Us as we work together in the best interest of our children.
