Warren Parks and Recreation is pleased to announce our Fifth Annual Summer Concert Series. We are having four new groups and one returning group for your entertainment. It is very special how the town continues to embrace the Saturday evening concerts. We again invite the community and their family and friends to join us at this year's concerts. All concerts are on Saturday evening from 5:30 – 8:30 pm at Warren Woods, except for the last concert of the summer, from 4:30 – 6:30 pm. Warren Woods has become the town's backyard for the Summer Concert Series. Our concerts are presented by the Warren Parks and Recreation Department and are partially funded by a grant from the Connecticut Community Foundation. Although all concerts are free, donations will be accepted and go to fund future concerts.

Saturday June 30th – The Regulators are a Litchfield County based band who play original music in the Roots-Rock, Country, American and Blues vein. The Regulators live repertoire also features material by songwriters who they want to spread the word about, great songwriters such as Randy Weeks, Bruce Robinson, Kelly Willis, Jim Lauderdale, Stephen Burton, Al Anderson, Paul Kelly, Buddy & Julie Miller, Kasey, Chambers, Dave Alvin and Bill Kirchen. Their eclectic mix of original and cover material and tight performance have earned them a reputation as a premier live act. The band includes local resident Marty Carlson – guitars/vocals/songwriter
