

TOWN OF WARREN
CONNECTICUT

Instructions for Zoning Permit Application

1. Filing fee **must** accompany application. Make check payable to Town of Warren. (See *Schedule of Fees*, page 2.)
2. Provide all of the information requested. The Land Use office is happy to answer any questions you may have with regard to filling out your application. They can be reached at 860-485-7881 x 115.
3. File application (plus 4 copies) with Zoning Enforcement Officer or the Land Use Office by the 12:00 PM on the Wednesday before the Regular meeting in order for it to be acted upon at the next commission meeting held monthly on the second Tuesday. You may also leave your application with the Town Clerk.
4. If the proposed construction is in, or affects a regulated area of wetlands or watercourses, a statement from the Town's Inland Wetlands and Conservation Commission must be attached to this application showing that the requirements of the Town's Inland Wetlands and Watercourses Regulations are being complied with. A map of the Inland Wetlands and Watercourses is on file at the Town Hall.
5. To answer **Question 5**, provide the street address if known and/or the approximate distance and direction from the nearest crossroad or landmark (e.g., on the east side of Melius Rd, half a mile south of Windy Ridge), or provide a small location sketch. If the lot is in an approved subdivision, give the map and lot designations.
6. To answer **Question 6**, please note that there are three Zoning Districts in Warren; all of have a 2-acre minimum lot requirement. The North Zone is primarily residential use (the vast majority of all residential properties lie here); the Center Zone as the smallest district and allows residential and commercial use near the northern junction of Routes 341 and 45; the South Zone is primarily residential but certain special permitted uses are possible. The South Zone is the area around Lake Waramaug.
7. If a **driveway** is to be constructed, it must comply with the Town's Driveway Ordinance (if connecting to a town road), or with the Encroachment Permit Regulations of the Connecticut Department of Transportation (DOT), if connecting to a state highway. Approval for driveway connection plan must be obtained through the First Selectman or the DOT Permit Investigator.
8. For **swimming pools, wells, or sewage disposal systems**, approval *must* be obtained from the Torrington Area Health District Sanitarian evidenced by his or her signature in the space provided *prior* to submission of a Zoning Permit Application. Any construction involving excavation, including footings, *must not* be closer to the water supply and sewage disposal system, including piping and reserve field area, than those set forth in the State Health Code.
9. Building permit and well permit (if required) must be obtained before beginning construction but are not required for this zoning application.
10. Four (4) copies of a sketch or drawing sufficient to show compliance with the Regulations must accompany this application. Specifically, the sketch or drawing *must* clearly include:
 - a. North arrow;
 - b. **ALL** property lines;
 - c. Locations of **ALL** existing and proposed buildings;
 - d. Distances in feet to **ALL** property lines from closest point of proposed building;
 - e. Location of existing or proposed septic system and well; and
 - f. Dimensions of proposed building(s).

Note: These instructions *do not* cover applications for Special Exceptions, Removal of Earth Products, or Timber Harvesting, Regulation Amendments, or Sub- or Re-subdivisions. For these activities, please refer to applicable sections of the Town of Warren Zoning Regulations.
